

BWV FEDERATION WALKS 2019 – hosted by the GEE LONG BUSHWALKING CLUB

Acknowledgment of risk by Visitors (temporary club members)

As a visitor (temporary member) voluntarily participating in this GBC activity, which has been described to me by the Activity Leader on the event website, I am aware that my participation may expose me to hazards and risks that could lead to injury, illness or death, or to loss of or damage to my personal property. These include, but are not limited to, slips, trips and falls, insect bites and stings, rockslides, transport accident, snakebite, and wildfire.

To minimise the risk of injury to myself and other participants, I will endeavour to ensure that:

- Activities are within my capabilities
- I will carry water, food and equipment appropriate for the activity
- I have advised the Activity Leader if I am taking any medication that may impair or impact my capabilities, or have any physical or other limitation that may affect my participation in an activity
- I will use all available and practicable measures to reduce risk
- I will make every effort to remain with the rest of the party during the activity and will advise the Leader of any concerns I am having; and I will comply with all reasonable instructions of club officers and the Activity Leader

I declare that I have read and understand these requirements. I have considered the above-mentioned risks before choosing to sign this acknowledgement of risk. I still wish to join this activity. I accept that in signing this form I will take responsibility for my own actions and I also acknowledge that I have been granted temporary membership of the GBC for the duration of this event only.
