Walk Description

From Rawson walk along Old Depot Road for about 1km then take the track south, then southeast, to the Walhalla Road. Walk down the Coopers Creek Road to Platina Station. Follow the track across the slope eastwards then walk down the foot track to the Thomson River to the outlet of Horseshoe Bend Tunnel. If time permits the tunnel inlet may also be visited by walking the bed of the river upstream. The walk then retraces the foot track to Platina Station to join the railway line walking track which leads to Thomson Station.

From Thomson Station, cross the road bridge and turn sharp left and walk northeast up the Mormon Town Track before turning right when you reach the Australian Alps Walking Track. Follow the Australian Alps Walking Track to reach Walhalla, taking in the spectacular views along the way. Time may permit a coffee and brief look at Walhalla before catching the 3:00pm train (\$15) from Walhalla Station back to Thomson Station. Walk north up Old Depot Road to finish the walk at Rawson.
