

## FedWalks 22: Wangaratta Showground Site Map and Directions:

Wangaratta Showgrounds is situated along the Ovens River in Wangaratta and is accessible from a number of entry points off C374/Evans Street. This is a significant arterial road leading northwest towards Yarrawonga, and the Showground is on the right-hand side of a sharp left-hand bend, which makes a right hand turn difficult here, or into Golf Links Lane.

Our recommended entry is to turn right from Green St. into Templeton St before the showgrounds, turn left into Gray St and approach the entry gate at [10 Evans Street Wangaratta](#) (click for street view). We will signpost this right turn after the Green Street roundabout.
